

**“All about That...”**  
**by Amy Bolton, Malone DeYoung, Ryan Etwiler, Zander Jobin-Leeds, and  
Justine Miller**

CHORUS

Because you know we all about that self, ‘bout that self-expression.  
We all about that mind, body-mind connection.  
We all about our own, ‘bout our own perceptions.  
We all about that, all about that love.

VERSE ONE

Yeah, I got great skills not just a body.  
So, I’m gonna show ‘em, show ‘em. No one can stop me.  
‘Cause I got that talent that can’t be erased.  
All the right moves in all the right places.  
I see the magazines working that photoshop.  
We know that shit ain’t real. Come on now. Make it stop.  
We all got beauty, beauty. So, raise ‘em up.  
‘Cause every inch of you is perfect from the bottom to the top.

BRIDGE

Yeah, my mama she told me, “Don’t worry! You’ll be alright!” (Ooooooh!)  
She says, “You’re beautiful just the way you are! So, go sleep tight!” (That beauty,  
beauty! Uh! That beauty, beauty!)  
You know you won’t find me shaming others up inside this song! (Ooooooh!)  
So, if that’s what you’re into, then go ‘head and move along!

CHORUS

Because you know we all about that self, ‘bout that self-expression.  
We all about that mind, body-mind connection.  
We all about our own, ‘bout our own perceptions.  
We all about that, all about that love.
